**Chief Executive Officer Comments**

David Makuen, Chief Executive Officer, commented, “I am pleased to report that fourth quarter and annual results were in line with our guidance. We delivered a solid holiday season as our Ready. Set. Gift! campaign resonated with existing and new customers. Our strong execution of the business across our strategic priorities fueled our performance throughout the quarter. In particular, our focus on rebuilding inventories drove improved comps in targeted product categories. I am incredibly grateful to our entire organization for their continued execution of our priorities, while keeping our customers and neighborhoods at the core of everything we do.”

---

Mr. Makuen continued, “We enter 2024 in a strong financial position with total liquidity of \$155 million, including year-end cash of approximately \$80 million. We are pleased to establish our 2024 outlook which represents healthy top line growth and improved profitability. Midway through the first quarter, we are encouraged by our positive comp results and sequential improvement versus prior quarters driven by traffic growth and strong conversion. We have several initiatives in flight that are delivering strong sales lifts including store remodels, category comebacks and marketing. As the new fiscal year unfolds, we’ll leverage ERP-driven analytics and operational improvements made in 2023 to further advance assortment optimization and store experience upgrades to drive traffic and customer engagement. While the families we serve continue to face lingering economic pressures that we are monitoring closely, we are pulling multiple levers in support of our 2024 outlook.”
