#### **Chief Executive Officer Comments**

David Makuen, Chief Executive Officer, commented, "We are pleased with our second quarter results that reflect positive momentum for both the top line and gross margin, against a continued challenging macro backdrop. The quarter was highlighted by significant sequential comparable store sales acceleration from the first quarter, a strong gross margin of 38.2% and well managed expenses. Importantly, we experienced improved traffic levels and strong conversion throughout the quarter, signaling that our product assortment, strengthened by our strategic inventory rebuild in key areas of the business, is resonating with our loyal customers."

Mr. Makuen continued, "I am incredibly proud of how our team managed the business, while maintaining a laser focus on our strategic priorities and taking decisive actions that reflect our deep connection and understanding of our customers. While the discretionary landscape remains under pressure, we are reiterating our guidance for the fiscal year that incorporates our continued efforts to improve what we can control. We are excited about our back-to-school and early Fall assortments showcased in our unique in-store experience that positions Citi Trends as a one-stop solution for trends for the entire family in their local neighborhoods."

#### Capital Return Program Update

In the second quarter of 2023, the Company did not repurchase any shares of its common stock. At the end of the second quarter of 2023, \$50.0 million remained available under the Company's share repurchase program.

#### **Guidance**

The Company is reiterating its outlook for fiscal 2023 as follows:

- Full year total sales are expected to be in the range of negative mid single-digits to negative low single-digits as compared to fiscal 2022
- Full year gross margin expected to be in the high thirties
- Full year EBITDA\* expected to be in the range of \$5 million to \$20 million
- The Company plans to open 5 new stores, remodel 10 to 20 stores and close 10 to 15 underperforming stores in the year
- Full year capital expenditures are expected to be in the range of \$15 million to \$20 million
- Year end cash balance is expected to be in the range of \$85 million to \$105 million

#### \*Non-GAAP Financial Measures

The historical non-GAAP financial measures discussed herein are reconciled to their corresponding GAAP measures at the end of this press release. The Company is unable to provide a full reconciliation of the forward-looking non-GAAP financial measure used in 2023 guidance without unreasonable effort because it is not possible to predict certain of its adjustment items with a reasonable degree of certainty. This information is dependent upon future events and may be outside of the Company' control and its unavailability could have a significant impact on its financial results.

#### **Forward-Looking Statements**

All statements other than historical facts contained in this news release, including statements regarding the Company's future financial results and position, business policy and plans, objectives and expectations of management for future operations and capital allocation expectations, are forward-looking statements that are subject to material risks and uncertainties. The words "believe," "may," "could," "plans," "estimate," "expects," "continue," "anticipate," "intend," "expect," "upcoming," "trend" and similar expressions, as they relate to the Company, are intended to identify forward-looking statements, although not all forward-looking statements contain such language. Statements with respect to earnings, sales or new store guidance are forward-looking statements. Investors are cautioned that any such forward-looking statements are subject to the finalization of the Company's quarter-end financial and accounting procedures, are not guarantees of future performance or results, and are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. Actual results or developments may differ materially from those included in the forward-looking statements as a result of various factors which are discussed in our Annual Reports and Quarterly Reports on Forms 10-K and 10-Q, respectively, and any amendments thereto, filed with the Securities and Exchange Commission. These risks and uncertainties include, but are not limited to, uncertainties relating to general economic conditions, including inflation, energy and fuel costs, unemployment levels, and any deterioration whether caused by acts of war, terrorism, political or social unrest (including any resulting store closures, damage or loss of inventory) or other factors; changes in market interest rates and market levels of wages; natural disasters such as hurricanes; uncertainty and economic impact of pandemics, epidemics or other public health emergencies such as the ongoing COVID-19 pandemic; transportation and distribution delays or interruptions; changes in freight rates; the Company's ability to attract and retain workers; the Company's ability to negotiate effectively the cost and purchase of merchandise inventory risks due to shifts in market demand; the Company's ability to gauge fashion trends and changing consumer preferences; consumer confidence and changes in consumer spending patterns; competition within the industry; competition in our markets; the duration and extent of any economic stimulus programs; changes in product mix; interruptions in suppliers' businesses; the ongoing assessment and impact of the cyber disruption we identified on January 14, 2023, including legal, reputational, financial and contractual risks resulting from the disruption, and other risks related to cybersecurity, data privacy and intellectual property; temporary changes in demand due to weather patterns; seasonality of the Company's business; the results of pending or threatened litigation; delays associated with building, remodeling, opening and operating new stores; and delays associated with building and opening or expanding new or existing distribution centers. Any forward-looking statements by the Company, with respect to guidance, the repurchase of shares pursuant to a share repurchase program, or otherwise, are intended to speak only as of the date such statements are made. Except as required by applicable law, including the securities laws of the United States and the rules and regulations of the Securities and Exchange Commission, the Company does not undertake to publicly update any forward-looking statements in this news release or with respect to matters described herein, whether as a result of any new information, future events or otherwise.
